

Shingirirai Mherembi

Software Developer Curriculum Vitae

PERSONAL SUMMARY

A highly resourceful, versatile, innovative, enthusiastic, diligent, and technically minded junior developer adept and committed to practicing and enhancing software development at reputable tech companies. Analytical thinker and creative problem solver. Valuable team player committed to delivering cost effective solutions that are practical, user friendly and customer centered.

The applicant is an energetic, ambitious individual who has developed a mature and responsible approach to any tasks that I undertake, or situations that I am presented with. As a graduate with four years' worth of tertiary training in IT and Computer Science, coupled with several internships, I possess an in-depth understanding of object-oriented languages, databases and multiple design tools, and a fluid personality that integrates easily with company culture and culminates effective group cohesion to achieve set objectives timeously.

I am a former part time intern at DankoSpark software development company in Potchefstroom, and currently on working as a UX/UI designer for Nestlé Southern Africa. My core personal characteristics are hard work, dedication, commitment, innovation, and the desire to learn and grow.

KEY SKILLS AND COMPETENCIES

Duties capable of handling:

- Delivery of fully operational software projects within budget, schedule, and cost.
- Maintaining web components and websites for both new and existing clients.
- Testing, troubleshooting, and debugging.
- Coding using front-end technologies, such as CSS, SASS, EJS, React and HTML.
- Manage the Project costs and create monthly reports, including profit and loss.
- Working on back-end technologies such as Node JS and. netCore.
- Communication with clients allowing long-term retention & satisfaction.
- Reporting project progress to a project sponsors & senior management. Willing to take responsibility for delivery of all aspects of assigned Projects.
- Ability to multi-task effectively, meet set deadlines and key milestones.
- Prepared to travel as required.
- Ability to lead projects from conception through to release.

28/12/2021

Dear Sir/Madam

I Shingirirai Mherembi would like to express my interest in the software developer role as advertised on your website, as I view this as an unmissable opportunity for further growth, acquisition of new skills and enrichment, surrounded by outstanding IT professionals. I am seeking a challenging, educative, and yet rewarding entry level job, which is why I was drawn to this exciting opportunity.

I am an enthusiastic, passionate, and willing to learn individual who seeks to deep dive into software development, as well as other aspects of IT and gain advanced know-how whilst executing meaningful, real-life projects. Given my solid foundation in a variety of technological systems and software development platforms, the various internships that I have been employed in, my technical and leadership abilities, coupled with my adaptability and interpersonal skills, position me ready to thrive in this challenging and energizing field. Additionally, my demonstrated capabilities in project life cycle coordination will allow me to become an immediate asset to your team yet acquiring more knowledge in so doing.

I possess a keen aptitude towards software development and this opportunity is the perfect steppingstone to further consolidate my career. I am a graduate of North-West University, Potchefstroom campus, currently holding a BSc degree in Information Technology and Computer Science, with a degree average of 77%, whilst currently completing my Honors in the said program. I would love to demonstrate that my grades do not only show my commitment to learning, but also reflect my inherent passion for software development and propensity to grow among like-minded Individuals.

Whilst in University for the above-mentioned degree, I have strategically focused my module selection in the following areas:

- Information systems engineering
- Web development
- Database management systems
- Data warehousing
- Computer security

Please kindly review enclosed resume for additional details regarding my skills and competence. Feel free to contact me at your convenience should you have any follow up questions. I look forward to hearing from you.

Thank you for your time and consideration.

Regards

S. Mherembi

TESTIMONIAL LETTER – SHINGIRIRAI MHEREMBI (STUDENT NUMBER: 30605636)

It is an honor to testify regarding Shingirirai as follows:

I have known Shingirirai since 2018 in the various leadership roles he fulfilled. In my capacity as Student Leadership and Peer-helper Coordinator of the NWU (Potchefstroom Campus), I observed that he is fully committed to the leadership roles given to him and goes above and beyond to serve and support the student community.

Shingirirai and I have worked together on various leadership development projects for prospective student leaders and current student leaders. He co-designed and implemented the various projects and I can testify that the success impact of those projects were very high. He made such an immense difference in the student leaders' lives.

Shingirirai can be described as a dedicated, amiable, and kind leader. His best attributes can be ascribed to his excellent communication skills, ability to listen and respond accordingly, being a team-player, and taking initiative to bring about positive change within the student community. He is also a very balanced individual and I always experience him as a person with very high emotional intelligence and emotional regulation skills.

In working together, he has attained various crisis management skills, interpersonal skills, critical thinking skills, problem-solving skills and leadership skills. In addition, he can be described as a person who is authentic in who he is, honest and real, and executes his task with impeccable professional.

My best wishes accompany him with this testimony. I am willing to answer any further inquiries regarding him.

Sincerely,

A handwritten signature in black ink, appearing to read 'JR Potgieter', is written over a horizontal line.

Miss. Juan-Ri Potgieter

Student Leadership and Peer-helper Coordinator (Senior Industrial Psychologist: PS 0133680)
